

# **GOLDEN HORSESHOE 2010 Ride Schedule**

## **The Exmoor Golden Horseshoe Ride Classes**

### **CLASS 1 – EXMOOR GOLDEN HORSESHOE**

A ride of approximately 160 km over two days, divided 80/80. Open to all Advanced riders and horses having competed at Advanced Level in a previous season.

### **CLASS 2 – EXMOOR STAG**

A ride of approximately 120 km over two days, divided 80/40. Open to all Advanced riders and horses having competed at Advanced Level in a previous season.

### **CLASS 3 – EXMOOR EXPERIENCE**

A ride of approximately 80km over two days, divided 40/40. Horses and riders must be Open or Advanced to compete in this class.

### **CLASS 4 – EXMOOR EIGHTY**

A ride of approximately 80km in one day. Open to all Advanced horses and riders.

### **Awards for Classes 1, 2, 3 and 4 are as follows:**

**Gold** – 12 kph or over; **Silver** – 10.5 kph or over; **Bronze** – 9.5 kph or over

**Minimum speed for completion is 9.5kph and must be maintained each day**

The first heart rate reading (i.e. before the trot up) taken at the end of each day will be used as the basis for the awarding of penalty points. NB: Penalty points may be incurred for heart rate only.

Heart rate of 55 or less - no penalty; Heart rate of 56-64 - one penalty; Heart rate of 65 and over – elimination. A penalty drops the award by one place (eg. Gold to Silver)

At the end of the first day, the average speed achieved sets the standard e.g. 12.5 kph = Gold. If the horse attracts a penalty [e.g. heart rate of 58] that Gold standard drops to Silver. **It is not possible to achieve any higher than the standard at the end of the first day.** Riding at Silver speed on day two with no veterinary penalties will attract a Silver Award, but with a penalty would result in a Bronze. Riding at Bronze speed with a penalty will result in a Completion.
